

Endoscope Borescope X3 Auto Focus

Product Overview:

The **Endoscope Borescope X3 Auto Focus** is a high-quality industrial inspection camera designed for professionals. With its **auto-focus technology**, **2MP real resolution**, and **adjustable LED lights**, this borescope provides clear visuals in hard-to-reach areas. Its **waterproof design**, **4.3-inch display**, and **long 5-meter cable** make it ideal for inspecting pipelines, automotive engines, machinery, and other intricate spaces.

Key Features:

- ✓ **Auto Focus Technology** – Captures clear images from 3 cm to 500 cm without manual adjustment.
 - ✓ **2MP CMOS Camera Sensor** – Delivers high-resolution real-time video and images.
 - ✓ **8 Adjustable LED Lights** – Ensures visibility in dark and confined spaces.
 - ✓ **4.3-Inch Display** – Provides a clear and detailed live feed without the need for external devices.
 - ✓ **70° Wide Viewing Angle** – Covers more area for efficient inspection.
 - ✓ **Waterproof & Durable Design** – Suitable for various industrial and automotive applications.
 - ✓ **5-Meter Cable** – Flexible and durable for versatile use.
 - ✓ **Rechargeable 2000mAh Battery** – Ensures long-lasting operation.
 - ✓ **MicroSD Card Support (Up to 32GB)** – Stores captured images and videos (card not included).
 - ✓ **Operating Temperature: -10°C to +50°C** – Works efficiently in different environments.
-

Technical Specifications:

- **Camera Diameter:** 8.5mm
- **Resolution:** 2MP
- **Focus Distance:** 3cm – 500cm
- **Lighting:** 8 Adjustable LED Lights
- **Viewing Angle:** ~70°
- **Display Size:** 4.3 inches
- **Battery:** 2000mAh Rechargeable
- **Weight:** <1kg
- **Storage:** MicroSD Card Support (Up to 32GB, not included)
- **Operating Temperature:** -10°C to 50°C

Ideal For:

- ✓ **Automotive Inspection** – Diagnose engine and mechanical issues with ease.
- ✓ **Industrial Maintenance** – Inspect pipes, machinery, and HVAC systems.
- ✓ **Electronics Repair** – Ideal for circuit board and small component examination.
- ✓ **Home Maintenance** – Check plumbing, wall cavities, and hard-to-reach spaces.

⚠ **Note:** MicroSD card is not included in the package.
