

Magnetic Particle Testing
Yoke Type

Handy Magna MP-100

AC/DC Yoke – For Magnetic Particle Inspection

Features:

- AC/DC Yoke
- Detect surface defects using strong magnetic fields
- Adjustable legs
- Includes sturdy hard case for transport
- Easily switch between AC and DC

Specifications

Power Supply	AC 220V 50/60Hz
Magnetizing	AC & H.W DC
Weight	2.45kg (without cable) 2.95kg (including cable)
Input Power Source	AC Only
Lifting Power	AC = 4.5kg DC = 18kg
Cable Length	4.5m
Warranty	1 year
