S9

Construction and engineering laser measurer

Two leveling bubbles; 20 sets of data memory; IP54 waterproof

Details

Two bubbles for leveling assistance, waterproof and dust free enable it capable of construction and engineering measurement.

Model	S9	Historical Date	20 Sets
Range	0.2-100m	Laser Class	Class 2
Accuracy	±1.5mm	Laser Type	630-670nm, <1mW
Measuring Units	m/in/ft/ft+in	Battery Type	Type AAA 2x1.5V
Single Measurement	√	Battery Life	Up to 5,000 Measurement Times
Continuous Measurement	√	Ingress Protection	IP54
Area	√	Operating Temperature	0°C~+40°C
Volume	√	Storage Temperature	-10°C~+60°C
Indirect Measurement Pythagoras	√	Auto Laser Off	30 Seconds
Add/Subtract	√	Auto Instrument Off	180 Seconds
Beep	√	Dimension(mm)	115*52*32.5
4-Line Display with Backlight	√	Weight(g)	123
